To search the online catalogue for any parish registers (baptism, marriage, burial or banns) that we hold, put the letter **P** in front of the number that is given to each parish, e.g. Bedford St Paul is **P1**, Ampthill is **P30**, Wootton is **P3**, and use the reference box on the catalogue search facility to search for **P./1/** and you will find all of the parish registers that we hold.

So if you want to see a list of the parish registers we hold for Bedford St Paul, put **P1/1/** into the reference search box, click 'search' and a full list will be shown. For Ampthill, put **P30/1/** into the reference search box and so on.

The online catalogue is kept up-to-date and all parish registers are catalogued within a few days of being deposited.
